**Learning Goal**

Explore and compare different kinds of shapes.

---

**What You’ll Need**

- Adult T-shirt
- Scissors
- Construction paper
- Glue
- Markers

---

**Steps**

1. **Make a cape!** Cut off the T-shirt’s sleeves. Cut down both sides of the T-shirt, from the armpits to the hem, leaving the collar intact. Open the T-shirt so it looks like a long rectangle with a circle in the middle. Cut off one side, around the collar. Make your superhero emblem with construction paper and glue it on.

2. **Make a mask!** Trim a leftover sleeve to fit over your face, and cut out 2 small circles for eye holes and 2 small diagonal slits for the nostrils.

3. **Be a superhero!** Find, “rescue” and collect at least four different shapes — for example, a napkin that’s a square or a ball that’s a sphere. Practice identifying the names of the shapes and describing their characteristics.

---

**Talk Together**

- How are the shapes alike and different?
- What shapes have straight or curved lines?

**Book Suggestion**

*Bear in a Square/Oso en un cuadrado*, written by Stella Blackstone and illustrated by Debbie Harter

**Online Game**

Peg + Cat: Paint-a-Long
